

82-10017/5

27 October 1982

MEMORANDUM FOR: Deputy Director of Central Intelligence
Deputy Director for Intelligence
Deputy Director for Operations
NIO for Strategic Programs

FROM: Director of Central Intelligence

SUBJECT: List of S&T Consultants

1. I would like to proceed with gathering whatever insights in the Soviet technological over the horizon threats are available for people of the caliber of those suggested by [] at my request as set out in the attached paper. 25X1

2. The question is how to get and apply the requisite scientific background to properly pick these brains.

[] 25X1

depth. These are all pretty high level fellows. Perhaps the contact should be preceded by a letter from me stressing the importance of what we are trying to do and saying that it might turn out to be a multi-stage process. We should find out how many of these people [] has led to expect that they would be contacted by us. 25X1

4. I would like your judgment on the value of this exercise and how best to proceed.

William J. Casey
